

OVERNIGHT PARENTING TIME VERIFICATION

As of October 1, 2008, the Michigan Child Support Formula factors in the number of annual overnights each parent exercises when determining child support.

In order to calculate the support order, the Friend of the Court requires each parent to complete the following section:

STATE THE NUMBER OF OVERNIGHTS PER YEAR THE CHILD(REN) SPENDS WITH:

Plaintiff _____

Defendant _____

I certify that the above information is true, accurate, and complete.

Date: _____

Signature

Printed Name

Case No.

Please note that failure to respond to this request or agree on amounts may result in the Friend of the Court making a determination as to the number of annual overnights the child(ren) spend with each parent.

If both parties fail to respond to this notice and your current order allows for reasonable parenting time, the Friend of the Court will assume that the non-custodial parent exercises 95 overnights annually.

If both parties fail to respond to this notice and your current order allows for a specific parenting time schedule, the Friend of the Court will determine the amount of overnights the non-custodial parent is awarded under that order and use it for determining child support.

If only one party responds to this notice, the Friend of the Court will use the numbers he or she provided for determining support.

If the parties do not agree to the number of overnights, the Friend of the Court will use the actual court order for determining support in the absence of credible evidence otherwise.
