**To: Arenac County Board of Commissioners**  
**From: Anthony Meyaard Equalization Director**  
**Date: 10/1/2024**  
**RE: 2024 Apportionment Report**

**REQUEST:**

The request is for the Board to approve by resolution the Apportionment Report at the October 2024 Regular Board Meeting.

**BACKGROUND:**

The Report displays the millage rates and Tax Levies for all governmental units in Arenac County. The aforementioned amounts will be collected from July and December 2024 tax bills.

Why do we have an apportionment report? The County Equalization Department is responsible to see that millage rates are rolled back based upon Headlee Amendment and Truth and Taxation regulations. After the Equalization Department has reviewed and confirmed the millage rates, a report is assembled which tabulates the results for each taxing jurisdiction. The amounts in this report reflect collection of dollars based on the 2024 Equalization Report which was passed in April by the County Board. The adjustments made by the July and December Board of Reviews and Veteran Exemptions are not included in this report.

The report conveys the following information:

1. Breakdown of the millage rates and tax levies by County, Township, Cities, Village, School Districts, Colleges, Library and Renaissance Zones.
2. It will also display the estimated amount to be collected in dollars.

Without passage of the Apportionment Report, governmental agencies in Arenac County will not be able to levy property taxes. The aforementioned report must be approved in October.

Respectfully submitted,

Anthony E. Meyaard M.M.A.O.  
Arenac County Equalization Director
